

Come and join us for  
another spectacular evening's  
viewing of the night sky!

The Derby and District Astronomical Society  
will be back at the Brookfield Social Club  
from mid-day to mid-night!

So come and see - :

- the Great Andromeda Galaxy
  - the Milky Way in the constellation of Cygnus
  - star clusters, nebulae, meteors
  - and a thousand delights of the night sky
- ... and some great solar observing in the daytime

Come and join us at :  
**The Brookfield Social Club, Barrow-on-Trent**  
**on Saturday, October 22nd from mid-day onwards**

What's on offer ...

Solar observing and telescopes outside  
Displays and information  
Astro-photographs  
Moon globe  
Model rocket launcher  
Videos, books and magazines  
Expert advice  
.... and much more
